

Doodle Labs mini-OEM Mesh Rider Radio - 2400~2482 MHz (Wi-Fi band)

2023 Update

The Doodle Labs mini and nano -OEM Mesh Rider Radios were updated in Q1 of 2023. Customers are encouraged to switch over to the newer design. Legacy hardware should not be used for new designs. Look for updated ordering codes in the model's datasheet.

Change List

1. Primary connector replaced by 6 connectors with different hardware interfaces
2. Added USB Host connector
3. Added 3x GPIO
